The Riverland Cruising Boat Club is a social club which commenced in 1986 as part of the 150th birthday celebrations for South Australia. That year, a run from Renmark to Morgan was held, and it was so enjoyable that the club was formed with the aim of promoting and supporting responsible enjoyment of the River Murray. The club is run by a committee of volunteers. A major event, the 'River Run' is organized every 2 years, usually a 10 day cruise upstream or downstream of Renmark.

In the alternate years, a one week camp is held somewhere on the river. 'Dinghy Dawdles' in various locations (sometimes on a different river) are held in between these events.

An informative newsletter is also distributed at least twice a year via email.
